THE EMPIRE PROJECT: The Rise and Fall of the British World ...

Thu, 30 Aug 2018 14:16:00 GMT book is a study of the rise, fortunes and fall of that system. The British world-system was not a structure of global hege-mony, holding in thrall the non-Western world. Except in particular places and at particular times, such hegemonic authority eluded all British leaders from Lord Palmerston to Churchill. But the British 'system' (a term that contemporaries sometimes made use of) was much more than a 'formal' territorial empire, and certainly global in span.

British Empire - Wikipedia

Fri, 14 Sep 2018 07:24:00 GMT The British Empire comprised the dominions, colonies, protectorates, mandates and other territories ruled or administered by the United Kingdom and its predecessor states. It originated with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height, it was the largest empire in history and, for over a century, was the ...
