Wed, 12 Sep 2018 01:57:00 GMT Etymology and usage. The term globalization derives from the word globalize, which refers to the emergence of an international network of economic systems. One of the earliest known usages of the term as a noun was in a 1930 publication entitled Towards New Education, where it denoted a holistic view of human experience in education. The term 'globalization' had been used in its economic sense ...
